## Pinetta News.

As we have seen no news recently in the columns of your valuable paper from our gradually growing town, we thought it proper for us to write something this week, and should these few remarks escape the waste basket, we will try and continue from time to time to give you our news.

Mr. W. J. Horne has his dwelling very nearly completed and when it is finished it will add much to the looks of our town. Mr. Horne will move here about the first of next year. We extend to him a hearty welcome.

The public school at this place is progressing nicely under the management of Mr. J. S. McMullen as principal and Miss Sallie Kelley as assistant.

The many friends of Mr. J. N. Sever will regret to learn of his illness; he has been sick for quite awhile but we hope to see him recover in the future.

Sugar boilings will soon be the order of the day and the writer expects to get all that is coming to him during that time.

Oscar Terry and James Prosser visited the Hickory Grove neighborhood last Saturday night and Sunday. We are rather inclined to think there is some attraction for both the young men down that way.

Miss Sallie Kelly visited her home near Madison last Friday, returning Monday morning to resume her duties in the school room.

Mr. Sam Henderson has accepted a position with his uncle, Mr. D. B. Henderson as clerk and will be pleased to meet his many friends at his place of business.

Mrs. W. H. E. Terry is now in Valdosta in the sanitarium where she has been off and on for the last four or five months taking treatment. We hope to see her fully recovered in the near future.

## How is your Digestion?

Mrs. Mary Dowling of No. 228 8th Ave., San Francisco, recommends a remedy for stomach trouble. She says: "Gratitude for the wonderful effect of Electric Bitters in a case of acute indigestion, prompts this testimonial. I am fully convinced that for stomach and liver troubles Electric Bitters is the best remedy on the market to-day." This great tonic and alterative medicine invigorates the system, purifies the blood and is especially helpful in all forms of female weakness. 50c. at all drug stores.

Sam Ellison is somewhat "stuck up" these days and if he appears to be cold and distant don't mind it, he'll get over it before a great while and be his natural self again. The cause of his being so stuck up is that in the election of last week he led all the ticket, receiving 545 votes.

These young ladies are in the lead for the \$400.00 Piano to be given away March 1st by W. M. Taylor:

Miss Agnes Parramore,

The ladies of the Presbyterian church will take advantage of the first cool day and will serve oysters in all styles all day long to anyone who is oyster hungry. The time and place will be announced when both are finally determined, the purpose of this item being to put on notice all of the merchants, business men and visitors to the town on the day that the ladies will expect to serve them their lunches on the occasion referred to.

The ladies of Elizabeth Harris Chapter, U. D. C., are preparing for the annual Bazaar which will be held some time in December, the place and time to be announced later. The ladies hope that the proceeds from this Bazaar will add a large amount to the Monument Fund. At an enthusiastic meeting of the Chapter last week the design for the monument was selected and the order for same will be placed this week. It will not be very long now before a handsome monument will grace some prominent site in Madison erected in memory of the gallant Confederate soldiers of Madison county. The ladies of the Chapter deserve great credit for their tireless efforts in this great cause of love and we bespeak for the coming Bazaar the most liberal patronage of our generous people.

The draving business heretofore conducted by Robert and Knox Bunting under the firm name of Bunting Brothers, has been sold to Howell Waring who now owns the only dray line in the city. The exercises of the Methodist Baraca class last Sunday morning were very interesting. Beside the interesting lesson which treated of David's grief over Absalom, Ernest Bradley read to the class the beautiful poem by Willis entitled "Absalom." Matt Thornton gave the class an instructive talk on "How to Reach Men," which was greatly enjoyed by all. The meetings of this class are always interesting as well as profitable.

Next Sunday night at the Methodist church Rev. J. Edgar Wilson, presiding elder of the Tallahassee District, will preach for the pastor. Mr. Wilson is a strong and earnest preacher to whose sermons it is always a pleasure to listen. A cordial invitation is extended to all to attend this service. Mr. Wilson having completed his full term of four years as presiding elder of the district will be transferred to other fields by the next Conference and this will be the last opportunity Madison people will have perhaps in many years to hear him.
